

District of Columbia

Allies in Self-Advocacy Presentation
March 19-20, 2012

Policy Recommendations

1. Require that a position of the DD Council and DD network advisory councils to be filled by a person 18- 22 years and encourage shadowing for youth under 18 years.
2. Require that ADD take on a government wide advocacy and training role on the competencies of and regarding people with DD and those government workers to support employees with people with disabilities effectively

Action Recommendations

1. ADD collaborates with Dept. of education to ensure access to technology and training across the life span.
2. ADD to discuss with self-advocates about the language they would like to be used to describe self-advocates
