

What? What do we want to happen? What is NORTH DAKOTA's #1 goal?

Improve accessible public transportation in the state of North Dakota.

How?

Who?

When?

Talk with the different groups around the state to fill them in on what was discussed at the summit and to talk about the information that's coming.

AJ & Brent

June 10th

Get information about transportation plans in cities, counties, state.

AJ will work with UCEDD (Brent) to get information and share with self-advocates.

July 31st, 2012.

Self-advocates sit on transportation planning committees in cities/counties/state, or attend public comment sessions. At these meetings, they'll encourage the use of distance technologies (ex. Skype), to participate in these meetings.

Goal #1 Continued...

How?

Who?

When?

Provide comments on transportation plans. Connect rural to urban and interstate systems.

Self-advocates and team will coordinate to have a follow-up meeting to decide Who's and When's.

What? What do we want to happen? What is our #2 goal?

Raise awareness of services and teach community.
