

North Dakota

#1 National Recommendation: AIDD to support self-advocacy information and training centers in the states.

Key Points (summary):

- Share areas of expertise across state (speaker bureau, transportation, testifying in legislature) by providing training to others in state.
- Run by self-advocates.
- Promote membership in self-advocacy organizations and reach out to past members.
- Impact accessible transportation plans in the states.
- Connect to a national office, to share information around the country and connect more closely with AIDD.

#2 National Recommendation: AIDD fund national self-advocacy conferences beyond the summits.

Key Points (summary):

- Formally establish and publicize relationships with national self-advocacy organizations to plan conferences.
- Provides a way to meet other self-advocates and share ideas across the state, “don’t forget,” encourage change.
- Topics can include issues affecting self-advocacy
 - DD Network collaboration on issues in their plans at the state level.
- State information and training centers to coordinate and attend conferences and then take information back to their states.

#3 National Recommendation:

Key Points (summary):
