

**What?** What do we want to happen? What is Washington's #1 goal?

**Have Self Advocates working in leadership roles at DD organizations (or any organizations that make choices about people who experience disabilities).**

<p><b><u>How?</u></b> <b>What needs to happen?</b> Next steps: resources, supports, overcome barriers</p>	<p><b><u>Who?</u></b> <b>Who will do this?</b> Partners Individuals</p>	<p><b><u>When?</u></b> <b>Timeline</b></p>
Start talking to the directors of the organizations.	Advocates and allies; other support	
Get on DD boards; get involved (Be prepared for leadership jobs)	Advocates	
Educate legislature to get funding for the positions		
Educate organizations about possible positions and why they should hire self-advocates.		

Educate at early age to be prepared for jobs.		
<i>Each team member will bring back this very large goal to their organizations to brainstorm and look into the different barriers mentioned around this goal, such as getting past Unions</i>	All team members and support/allies	asap
Set-up a Facebook 'group page' for the team around this goal for anyone to add to and be a part of	Shawn (other advocates and allies will join and contribute from the team)	By June 1
Set-up a conference call or other meeting for the team to meet-up after the summit	Andrea and Emily (team co-leads)	End of June
